Mind Games by Teri Terry (published 2015) is a young adult, science fiction novel set in a dystopian future where virtual reality has taken over. I bought this book a couple of years ago, because I had read and enjoyed some of Terry ' s other work, including her award-winning series, Slated, but did not pick it up until last month. Read on to discover my thoughts on this cyber story.

There were many elements of Mind Games that reminded me of Divergent, too, and the Divergent series is one of my all-time favourite YA dystopians. It 's different enough for me not to feel like Teri Terry copied Veronica Roth, but similar enough to appeal to the Divergent fan in me.

Fans of the award-winning SLATED trilogy won't want to miss this exclusive ebook sequel to Mind Games, a new psychological thriller from Teri Terry! Sixteen years after Luna took on the might of PareCo, her daughter Liberty is fighting for her independence, fighting for her freedom, fighting to discover who she really is. Constantly pushing the boundaries of what she can do in the virtual space of the void and still survive in the real world, it is only a matter of time before Liberty goes too far. And when the mysterious Ex offers to tell Liberty all her mother's secrets, it seems too good an opportunity to resist. But how will Liberty know what is real, or who she can trust - especially when it seems that the future of the void, and of the non-virtual world it connects to, may be at risk of destruction?

"Twin teen girls with very different upbringings meet for the first time at their mother's funeral. As they get to know each other, it becomes clear that one of the sisters is driven by a secret destructive power-or is it both?"--

The gripping first book of a rebellious trilogy about truth, power, and impossible choices, perfect for fans of Divergent and Legend. Kyla ' s memory has been erased, her personality wiped blank, her memories lost forever. She ' s been slated. The

government claims that she was a terrorist and they are giving her a second chance—if she plays by their rules. But scenes from the past haunt her as she tries to adjust to a new life, family, and school, leaving her unsettled. Who is she really? And if only criminals are meant to be slated, why are so many other teens disappearing? As she and her friend Ben seek answers, Kyla is torn between the need to know more and her instinct for self-preservation. "A suspenseful page-turner with a highly sympathetic and strong female protagonist. . . . Will have readers waiting eagerly for a sequel. " —Booklist "Excellent. . . . Kyla's erased memory works wonderfully as a storytelling device." —io9

The stunning conclusion to the Slated trilogy, for fans of Unwind and Legend ! Kyla is in danger from both the government Lords who erased her memory and the terrorists who tried to use her. So now she ' s on the run. Sporting a new identity and desperate to fill in the blank spaces of her life pre-Slating, Kyla heads to a remote mountain town to try to reunite with the birth mother she was kidnapped from as a child. There she is hoping all the pieces of her life will come together and she can finally take charge of her own future. But even in the idyllic wilderness and the heart of her original family, Kyla realizes there is no escape from the oppressive Lords. Someone close to her may be one of them, and even more frighteningly, her birth mother has been keeping secrets of her own. In this stunning series finale, Kyla finally finds out who she really is—and the road to this discovery, and to deciding who she wants to become, is full of dangerous twists and turns that will keep readers

riveted.

Perfect for fans of the dystopian settings of *The Hunger Games* and *Divergent*, the gripping second installment of the *Slated* trilogy is a riveting psychological thriller set in a future where violent teens have their memory erased as an alternative to jail. Kyla has been *Slated*—her personality wiped blank, her memories lost to her forever. Or so she thought. She shouldn't be able to remember anything. But increasingly she can—and she's discovering that there are a lot of dark secrets locked away in her memories. When a mysterious man from her past comes back into her life and wants her help, she thinks she's on her way to finding the truth. But this new knowledge lands her in the middle of a tug-of-war between two dangerous adversaries, and despite her misgivings about both of them, she's forced to choose a side for her own protection.

The first book in the spine-tingling *Dark Matter* trilogy about the frightening effects of a biological experiment gone wrong. An epidemic is sweeping the country. It spreads fast, mercilessly. Everyone will be infected. . . . It is only a matter of time. You are now under quarantine. Young teen Callie might have been one of the first to survive the disease, but unfortunately she didn't survive the so-called treatment. She was kidnapped and experimented upon at a secret lab, one that works with antimatter. When she breaks free of her prison, she unleashes a wave of destruction. Meanwhile her older brother Kai is looking for her, along with his smart new friend

Online Library Mind Games Teri Terry

Shay, who was the last to see Callie alive. Amid the chaos of the spreading epidemic, the teens must find the source of disease. Could Callie have been part of an experiment in biological warfare? Who is behind the research? And more importantly, is there a cure?

Don't miss this prequel to the multi award-winning SLATED trilogy by Teri Terry, queen of the teen thriller! I'm just one girl. What can I do? Sam's cosy life as daughter of the Deputy Prime Minister is about to end. These are turbulent times. Borders have closed and protests are turning violent. The government blames the country's youth, and is cracking down hard. Mobile phones are blocked, gatherings are banned and dissent is brutally crushed. Sam is torn between family loyalty and doing what is right. When she meets Ava and Lucas her mind is made up. One girl, one choice. She can make a difference: she must. Even if her life - and her heart - are on the line ... A red-hot thriller packed with secrets and revelations that shines a new light on the award-winning SLATED trilogy.
