The catalogue for the first full-scale exhibition of the works of Orazio Gentileschi, the most talented follower of Caravaggio and a figure of international renown, and his daughter Artemisia, the first Italian woman artist who was not only praised for her art by her contemporaries but whose paintings influenced the work of later generations.

In 17th century Rome, where women are expected to be chaste and yet are viewed as prey by powerful men, the extraordinary painter Artemisia Gentileschi fends off constant sexual advances as she works to become one of the greatest painters of her generation. Frustrated by the hypocritical social mores of her day, Gentileschi releases her anguish through her paintings and, against all odds, becomes a groundbreaking artist.

Duke of Buckingham and, after the Duke's assassination, for Charles I and his wife, Queen Henrietta Maria. Orazio died in London in 1639, while his daughter, Artemisia, who had joined him in 1638, remained in Britain till 1640. But these simple biographical facts do not do these great artists justice. A dozen stunning paintings and a number of documents, several of them previously unpublished, are all the remaining evidence that illuminates this period of the Gentileschi's personal lives. In this book, the Gentileschi's work is placed in the context of courtly patronage - a structure in which art and politics were strictly intertwined. Charles I was attempting to transform his court into a truly European one, art collections included, while papal diplomacy worked tirelessly to convert Charles so that he might join the ranks of Catholic monarchs. Art was instrumental

naturalism with which she depicted the female body and her use of rich colors and chiaroscuro. Born in Rome, she was trained by her father, the painter Orazio Gentileschi, and was working professionally by the time she was a teenager. In a period when women artists very rarely achieved success in their field, she was commissioned by royalty across Europe and was the first woman to become a member of Florence's prestigious Accademia delle Arti del Disegno, later becoming an educator in the arts. Lending further insight into the extraordinary life of this trailblazing artist, this volume presents an absorbing collection of letters, biographies, and court testimonies supplemented with essays written by contemporaries, several of which are published here in English for the first time. The vivid illustrations include three works that have only recently been
