The Lamb Will Slaughter The

"Fast, eerie and crackling with disarmingly matter-of-fact phantasmagoria, Margaret Killjoy's The Lamb Will Slaughter the Lion maps a wilderness peopled by marginalised outsiders where everything from sexual identity to material reality is in the same state of fluid drift. Intelligent and fiercely imagined, this book is a passport to a world hauntingly similar to our own, in which disturbing unreality appears to have become an accepted universal condition that is scarcely worth mentioning.

A lamb to the slaughter usually refers to someone who is unaware they are about to be harmed. This is from the idea that lambs are easily led to their slaughter since they trust the one leading them, and they are unaware of what is to become of them. In this story, the husband, Patrick Maloney, is killed like a lamb.
